INTRODUCTION

The International Oil Palm Business Forum (IOPBF) presented to you the new platform forum which is part of the International Oil Palm Conference (IOPC) which be held on July 15 - 16, 2018 at Aston Hotel, Medan, North Sumatera, Indonesia, hosted by IOPRI.

International Oil Palm Business Forum 2018 is Buyers meet Sellers forum and introduces new products and innovations such as technology and services related to agribusiness / agro industry based on oil palm, which aims to build business communication between business actors in various fields on oil palm such as oil palm plantation and oil palm plantation supporting industries or palm oil plantation users.

IOPBF 2018 is a strategic platform to create sales and new leads, meeting one on one directly with the 100 selected invited buyers.

Through of this activity expected to occur business agreements (MOU / Business Contract) to support the development of their respective businesses.

OBJECTIVES

1. Introducing and to meet invited and selected buyers (Oil Palm Plantation Companies) of products or services directly to the market.
2. Buyers meet Sellers (one on one meetings).
3. Expanding network in Palm Oil Industry.
4. Share new information and technology of product and services to get direct feedback of product and services from the market.
